

Congratulations Grandpa and Grandma!

Why do new parents do what they do?

This class is designed to help seasoned and first time Grandparents understand the changes in medicine and baby care from the "good ole days" to the present.

Topics include:

- \* Changes in medicine and philosophy with newborns
- \* Back to sleep and sleep cycles
- \* Feedings
- \* Baby products
- \* Newborn appearance, growth and development
- \* What do I need
- \* Grandparent fun and your new role

Fee: 20.00 per person
